

December 27, 1988

I, William Wagner Franks, swear under the pains and penalties of perjury, on or about mid-summer 1988, I sent to Atty. Van Sickle certain documents for the purpose of ascertaining the legal validity of certain provisions of those documents. These documents were regarding the settlement with C of S. At no time did I give permission to publicize or make public contents of the settlement documents.

Attested as true.
